Subject: RE: CleanTech - Transfer of Bei Lv's shares

Importance: High

Bill,

Bei Lv's shares held electronically at COR Clearings have not been transferred back to the company as required under the divestiture agreement. Per my earlier requests, could you please have her send the instructions below to Claudette Gay and Genovie Fernandez at Cambridge Capital (email addresses below):

gfernandez@cambridgeacapital.com

cgay@rrtco.com

Reference: Account 2225-8172

Please transfer the CleanTech/6D Global shares held by Bei Lv to Interwest for return to CleanTech/6D Global. I am requesting the electronic transfer (DWAC) of these shares.

Please confirm that these instructions will be sent on or before Monday, December 15. In the alternative, please let me know if she is refusing to transfer these shares, so that we may proceed accordingly.

Thank you,
